TO ALL INTERESTED PARTIES:

The Sons of Union Veterans, Centennial Camp 100, Denver, Colorado, is putting in a Veterans Memorial Walkway at the flagpole in the G.A.R. section at Riverside Cemetery in Denver, Colorado. We are offering individuals and organizations an opportunity to memorialize a Civil War veteran ancestor, unit or any other military veteran or unit of any time period with a memorial brick. The bricks can include the name, rank, unit, company and date of service, or other information using 20 letters (**including punctuation and spaces**) per line (60 letters maximum per brick). A sample is in the lower right. Cost of each memorial brick is \$30.00. The bricks are standard pavers with incised lettering. Major donors may have their organization, family or dedication name on larger pavers for the top of the wall surrounding the memorial by donating \$50.00 or more. Mail this form with your check to:
